PLANNING AND ZONING CONSULTANTS

The following consultants who, for a fee, will prepare radius maps, address listings and/or labels needed for various applications. The list is provided as a reference under the request of the companies who are willing to provide the service. The City does not recommend any particular company.

(You may develop the property owner list and labels yourself by acquiring the required maps at the public counter and gathering the property owner information at the Los Angeles County Assessors Office).
